

Important: Critical Care members

Pee Dee Electric is updating its files and needs your help. If you are a member or the caretaker of a member that needs to have constant power supply for a life support system or a medical device, your electric co-op needs to know. This information will not guarantee your power will be restored any faster, however, it will aid Pee Dee Electric in getting you assistance from Emergency Management crews.

Pee Dee Electric will be in contact with Emergency Management during extended major outages, storms and other emergencies. Please provide us with the following:

Name: _____

Address: _____

Account Number: _____

Phone Number (____) _____

Phone Number of nearest relative (____) _____ Name: _____

Doctor's Name: _____

Nature of your critical situation:

Please provide Pee Dee Electric with written documentation from your physician verifying your condition and the life support or medical devise requiring electric power.

Third Party Designation

Important information: By providing Pee Dee Electric with a third party designation you are hereby giving Pee Dee Electric the authority to discuss your electric service with this representative. This may include discussing your bill, services, repairs and disconnection of service.

Member signature accepting this designation: _____ Date: __/__/__

Name of person responsible for your care: _____

Phone Number Home:(____) _____

Phone Number Work:(____) _____

Address: _____

By providing the information requested, you are not insured priority restoration of service nor are you relieved of normal requirements for payment.

Pee Dee Electric does not insure uninterrupted service.
